APPALACHIA

DOWNLOAD

Farrar, Straus Giroux Inc, United States, 1999. Paperback. Book Condition: New. Reprint. 211 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****. Almost thirty years ago, Charles Wright (who teaches at the University of Virginia in Charlottesville and has won both the Pulitzer Prize and the National Book Award for Poetry) began a poetic project of astonishing scope--a series of three trilogies. The first trilogy was collected in *Country Music*, the second in *The World of the Ten Thousand Things*, and the third began with *Chickamauga* and continued with *Black Zodiac*. *Appalachia* is the last book in the final trilogy of this pathbreaking and majestic series. If *Country Music* traced Wright's journey from the soil to the stars and *The World of the Ten Thousand Things* lovingly detailed our world and made a visionary map of the world beyond (James Longenbach, *The Nation*), this final book in Wright's great work reveals a master's confrontation with his own mortality and his stunning ability to discover transcendence in the most beautifully ordinary of landscapes.
