BRAND NEW, How to Write Wedding Speeches and Toasts: Everything You Need to Build a Successful Speech, Barbara Jeffrey, Natasha Reed, Making the speech is the thing best men, grooms and fathers worry about the most when planning a wedding. Most people don't have to make speeches in public, so this is new territory - and it's seriously important to get it right. The balance has to be struck between being funny, while being aware that the girls may not respond well to some of the ideas that the boys would laugh about. The men understand this and know that they need the help this book will provide. This market is driven by fear in the main - men buy these books as a safety net. And women buy them for their men for fear of what they might do without one!.
