Brand New Book ***** Print on Demand *****.Connecting Inward d is a unique small group curriculum resource containing interactive questions for six sessions. It contains scripture memory verses for the group members, Bible application (as opposed to Bible Study), and a weekly devotional for the small group leader. This resource is unique in that it doesn t just teach a group of believers about the importance of biblical community, it challenges them to enter into a deeper relationship with one another with the questions and gives them opportunities to serve one another between meetings. Small groups are about relationships, not another meeting, right? This resource will draw a small group closer to one another, fulfilling the second part of the Great Commandment. This is the second book in a series called Community Life by Cell Group Resources.
