

A Family Haunted

By Mike Aguilera

Page Publishing, Inc., United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Being a motivational speaker for fourteen years has taught me that a most effective way to reach your audience is through down to earth story telling. Nothing is more memorable as said story being true. All my life my siblings and I have swapped both true and fictional accounts that molded and shaped our morals, standards and spiritual beliefs. This book is a collection of ghost stories, tragedies and historical accounts of violence and physical abuse. Many of these stories were shared late at night in a lonely Victorian ranch house, cheers.

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.
