## ECHOES OF THE RUSSIAN VERSE

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 144 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. If only you could read the original works of famous Russian poets, glimpse the uniqueness of such giants as Pushkin, Lermontov, Akhmatova, appreciate their finely crafted stanzas, feel their joy and sadness, despondency and optimism, hear the music of their voices. If only (from the back cover of the book). Echoes of the Russian verse is written in English and is intended for those who love poetry. It is hoped that one can enjoy reading it without regard to the poems source information. There are no biographical notes on the Russian poets, no comments or opinions on Russian poetry. The poems in this book are written according to the authors self-imposed imperative to concurrently preserve the four key aspects of the source poems: the rhythm, the rhyming, the meanings and the feelings. These English poems are meant to be faithful representations--the echoes--of their claimed Russian sources so that the reader can, hopefully, get an idea of what the Russian poetic experience is all about. This book highlights a very thin sliver of Russian poetry written between 1825 to 2000, just a few poems by Alexander...
