Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

Carcanet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Can Dentists Be Trusted?, Martina Evans, Martina Evans' third collection of poems begins and ends in the dentist's chair. In between come stories ranging from an Irish childhood to present-day London, featuring voices from the poet's own to those of her family, her cat, and a supporting cast of hectoring lawyers, born bores and rambling mothers. Evans combines a novelist's gift for creating compelling narratives and capturing conversational idiosyncracies with a poet's ability to condense and refine, making "Can Dentists Be Trusted?" a book that will delight the many who enjoyed its acclaimed predecessor "All Alcoholics Are Charmers" (1998).
