By Samuel James O'Brien

Yay! is, first and foremost, a sarcastic title. The author is English, after all, and therefore prone to expressing emotions convolutedly and through bad jokes. Yay! progresses from the tone of the author's debut collection and delves into notions of acceptance, tribulation, healing and the struggle for pleasure in daily life. Concerning the book's final form the author said It's literally a perfect second collection in every way. And the cover is dope AF.
