This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

From the obscurity of vast, unquiet distance the surf came booming in with the heavy impetus of high tide, flinging long streamers of kelp and bits of driftwood over the narrowing stretch of sand where garishly costumed bathers had lately shrieked hilariously at their gambols. Before the chill wind that had risen with the turn of the tide the bathers retreated in dripping, shivering groups, to appear later in fluffs and furs and woollen sweaters; still inclined to hilarity, still undeniably both to leave off their pleasuring at Venice, dedicated to cheap pleasures. But when the wind blew stronger and the surf boomed louder and nearer, and the faint moon-path stretched farther and farther toward the smudgy sky-line, city-going street-cars began to fill with sunburned passengers, and motors began to purr out of the narrow side streets lined with shoddy buildings which housed the summer sojourners. One more Sunday night's revelry was tapering off into shouted farewells, clanging gongs, honking horns and the shuffling of tired feet hurrying homeward. In cafes and grills and private dining rooms groups of revelers, whose pleasures were not halted by the nickel alarm-clocks ticking inexorably all over the city and its suburbs, still lingered long after the masses had gone home yawning and counting the fullness of past joys by the present extent of smarting sunblisters.
