In pursuit of one secret, however, Sinclair will uncover a host of others, and will ultimately find himself standing beside Sarah Averielle, the governors daughter, at the center of a plot to take over the Island City, a battle for the country of North Decting, and a nine-year-long quest for vengeance. Out of the chaos...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
