

Foundations of Rehabilitation Counseling with Persons Who Are Blind or Visually Impaired (Hardback)

By -

AFB Press, United States, 1997. Hardback. Book Condition: New. 259 x 201 mm. Language: English . Brand New Book ***** Print on Demand *****. Rehabilitation professionals have long recognized that the needs of people who are blind or visually impaired are unique and require a special knowledge and expertise for the provision and coordination of effective rehabilitation services. Contributions to this text from more than 25 experts provide essential information on subjects such as functional, medical, vocational and psychological assessments; demographic and cultural issues; placement and employment issues; and the rehabilitation team. Each chapter includes a Learning Activities section that can be used in class assignments or during in-service training. Sample forms, such as a Job Analysis Worksheet, a Comprehensive Vocational Evaluation System Protocol, an Individualized Written Rehabilitation Program, and a Work Environment Visual Demands Report are included in the appendices. An extensive glossary provides easy access to clear definitions of terms.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
