USFA-TR-142 June 2001 5 The weather at the time of there was not an issue. Skies were clear with a light breeze and the temperature was in the low 70 s. After there had been extinguished, reghters learned that the adult male occupant of the house had been asleep on a couch in the living room. He woke up, discovered there, and called 9-1-1. According to him, there was no operating smoke detector to alert the occupants that the house was onre. He allegedly went upstairs, but was driven back by heavy smoke. Before exiting the secondoor, the man stated that he broke a window that he could not open. He then went back downstairs and exited via the rear of the structure, leaving the door open. Then, he climbed up to roof of the back porch, broke out the window, and called to the children. When he left the house, he had...
