Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Abrams. Paperback / softback. Book Condition: new. BRAND NEW, Splintered, A G Howard, This stunning debut captures the grotesque madness of a mystical under-land, as well as a girl's pangs of first love and independence. Alyssa Gardner hears the whispers of bugs and flowers precisely the affliction that landed her mother in a mental hospital years before. This family curse stretches back to her ancestor Alice Liddell, the real-life inspiration for Lewis Carroll's "Alice's Adventures in Wonderland." Alyssa might be crazy, but she manages to keep it together. For now. When her mother's mental health takes a turn for the worse, Alyssa learns that what she thought was fiction is based in terrifying reality. The real Wonderland is a place far darker and more twisted than Lewis Carroll ever let on. There, Alyssa must pass a series of tests, including draining an ocean of Alice's tears, waking the slumbering tea party, and subduing a vicious bandersnatch, to fix Alice's mistakes and save her family. She must also decide whom to trust: Jeb, her gorgeous best friend and secret crush, or the sexy but suspicious Morpheus, her guide through Wonderland, who may have dark motives of his own. Praise for "Splintered: "STARRED REVIEW "Fans of dark fantasy, as well as of Carroll's Alice in all her revisionings (especially Tim Burton's), will find a lot to love in this compelling and imaginative novel." "Bulletin of the Center for Children's Books" ""Alyssa is one of the most unique protagonists I've come across in a while. Splintered is dark, twisted, entirely riveting, and a truly romantic tale." "USA Today" "Brilliant, because it is ambitious, inventive, and often surprising a contemporary reworking of Lewis Carroll's Alice's Adventures in Wonderland, with a deep bow toward Tim...
