Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Recollections of Childhood: Or, Sally, the Faithful Nurse* A very simple introduction may be possibly suffice for a very simple volume. I have aimed at nothing more than an innocently entertaining book for a children. Will it be objected that there are many such already? I know there are, - hundreds, perhaps thousands - but mine is a new one. It occurred to me some time since, to have the care of a dear little girl, during a tedious illness; and a new book was a great prize to us. There were times too, when none of our many books would do, and then I leaned over her, and in a low voice told her many of the simple events recorded here. Should my book prove entertaining to any dear sick child, its end will be answered. If I could have written what children call a Sunday Book, I should have felt myself on higher ground, and perhaps should have been more useful, but I have done that which I felt most equal to. Is any further apology required? I was invited to write, - rather an uncommon thing in these days. Other reasons I have none. My tale as to its main incidents is a true one; its very simplicity proves it, and I am in reality what my signature bespeaks me, Primogenita. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare...
