## PARAMETERS OF CONSONANTAL ASSIMILATION

LINCOM, 1999. Softcover. Book Condition: Neu. Dust Jacket Condition: Gut. 1. Auflage. The goal of this book is to develop a parametric theory of consonantal assimilation, one of the most well-attested processes in phonology and one which has been described extensively enough to construct a theory of some predictive power. The emphasis lies in constructing a parametric theory in which all and only the possible types of assimilations can be obtained through very simple combinations of the possible settings of...

### Reviews

---

*This ebook is great. It is definitely basic but shocks from the 50 percent of your publication. Its been printed in an exceedingly basic way and it is only right after i finished reading this book where basically changed me, modify the way in my opinion.*

-- **Mckayla Ritchie**

*This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
