CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 396 pages. Dimensions: 9.0in. x 6.0in. x 0.9in. AN INGENIOUS RACE OF INVENTORS. A LEGENDARY ISLAND SUNK FOREVER. ONE CHANCE TO STOP IT FROM HAPPENING AGAIN. Go back to when you were seventeen years old, when there was so much fear and uncertainty about the future: living on your own, getting a job, not knowing what you wanted to do with your life. Our hero, Salomon Nathaniel Slackwater, has that to worry about and more: he's a descendant of Atlantean immigrants and their standards and expectations are lofty and bizarre. Twelve thousand years ago, Atlantis disappeared beneath the Seas, never to be seen or heard from again. But the survivors' bloodline has thrived and they have all been living in secret across modern day America. Salomon is one such Atlantean. Legend has it that the men of Atlantis were great swimmers, incredibly intelligent and quite fond of Muses. But Salomon has nearly drowned on more than one occasion and has almost become the meal of countless monsters of the Seas. He is not overly intelligent and will surely never come up with the Next Big Thing. And he just happens to prefer American girls and is presently engaging in a potentially scandalous affair. Salomon seems to be special for all the wrong reasons and yet that just might come in handy: it seems that America is about to face the same fate as Atlantis and it could take something special to save us all. 86, 450 words. 396 pages. Young Adult and Up. This item ships from La Vergne, TN. Paperback.
