HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, An Angel Walked Beside Me: Amazing Stories of Children Who Touch the Other Side, Joan Charles, Renowned psychic Joan Charles reveals stories from her twenty-five years as a spiritual communicator. Looking in detail at the amazing psychic abilities of children, both passed and on this plane, Joan shares tales of love and loss, and secrets and lies, which go far beyond our Earthly experience. Joan had her first experience of the spiritual world at the age of four. One night, struggling to sleep, she lay in bed with a feeling of dread knotting her stomach and playing on her mind. As she lay there she saw a dark figure float past the open curtains. And immediately, in her mind, although only four years old, she knew she had just seen the Angel of Death. The next morning she kept quiet, and didn't say anything to anyone, keeping her experience to herself, even as she heard her dad say that her Uncle John had died suddenly in the night. This was Joan's first, and very personal, experience of the extraordinary abilities a child can have. What follows are a collection of the other remarkable experiences Joan has had as she has come to terms with her talents and discovered those of many other, amazing, psychic children. At the a time when so many of us are searching for meaning, Joan encourages us to look at the natural and loving messages that surround us; messages that can add a richness to our daily lives and relationships, giving us guidance and hope. Packed with incredible anecdotes and heart-warming stories, this book will amaze and move you in equal measures.
