Büchersendung - From the former vice president and no. 1 New
York Times bestselling author comes An Inconvenient Truth for
everything - a frank and clear-eyed assessment of six critical
drivers of global change in the decades to come. Ours is a time
of revolutionary change that has no precedent in history. With
the same passion he brought to the challenge of climate change,
and with his decades of experience on the front lines of global
policy, Al Gore surveys our planet's beclouded horizon and
offers a sober, learned, and ultimately hopeful forecast in the
visionary tradition of Alvin Toffler's Future Shock and John
Naisbitt's Megatrends. In The Future, Gore identifies the
emerging forces that are reshaping our world: - Ever-increasing
economic globalization has led to the emergence of what he
labels 'Earth Inc.' - an integrated holistic entity with a new and
different relationship to capital, labor, consumer markets, and
national governments than in the past. - The worldwide digital
communications, Internet, and computer revolutions have led to
the emergence of 'the Global Mind,' which links the thoughts and
feelings of billions of people and...
