WILLIAM THE CRACKSHOT KID

Faber Music Ltd, United Kingdom, 2005. Paperback. Book Condition: New. 272 x 202 mm. Language: English . Brand New Book. This series of storybooks for Key Stage 2 children introduces pupils to important musical works through interesting adventure stories. Teachers can either read the story whilst playing the CD to help evoke the soundscapes of the music. Alternatively once pupils are familiar with the story they can simply listen and look at the pictures. This is ideal for use as part of an integrated scheme of work for art music and literacy and is an approachable resource for non-music-specialists. The destruction of the apple tree had brought a time of great sadness and despondency to those living nearby. However, one day the signs of new life on the tree cause a real stir. Discover how William turns this new hope to everyone s advantage. This story introduces The William Tell Overture by Gioacchino Rossini.
