Dept. of Justice, Office of Justice Programs, Bureau of Justice Assistance, 2002 OCLC Number: (OCOlc)288679669 Subject: Law enforcement -- United States -- Statistics -- Data processing. Excerpt: . . . level. The OJP conference series discussed in the next chapter made obvious the need to support existing integration efforts and to provide agencies not currently engaged in integration with assistance in getting started. Before the mechanisms providing the needed assistance could be fully established, however, a status assessment needed to be conducted. The PTI survey was the vehicle used to accomplish this. This guidebook is an initial step in the process of helping local governments reach a level of integration that could lead to a nationwide, seamless integration of justice information systems. Local jurisdictions that do not have structures in place or are not engaged in justice information integration can use the guidebook to assist them in developing successful data integration and governance structures. Jurisdictions that already have structures in place can use the guidebook as a tool to help them improve their structures. Also, jurisdictions that have integrated justice information systems can compare their efforts and ascertain what can be learned from the experiences of other jurisdictions. In addition, this guidebook can be used as a local governance training tool for justice information integration. 8 MISSION POSSIBLE: STRONG GOVERNANCE STRUCTURES FOR THE INTEGRATION OF JUSTICE INFORMATION SYSTEMS This item ships from La Vergne, TN.
