Brand New Book ***** Print on Demand *****.The Mermaid s Tail tells the story of the Universal Feminine s emergence in history of humanity as a viable force in evolution. The soul qualities of compassion and regard for all human beings are what is demanding the redefinition of society s biggest questions. Without an equal voice in the debate about war, education, care for the land or the elderly, only part of the problem can be understood. Her love of different cultures and ability to synthesize experience creates a series of impressions that illuminate what at first glance may appear as mundane. She shares hard-won insights into the sacredness of the many expressions of a One god. Initially, what can be read as irreverence exposes a greater truth reserved only for the courageous. The Mermaid s Tail unmask hidden meanings of the tales we were told as children-the mythology buried deep in the recesses of our minds. The book offers unexpected and delightful insights into creating deeper personal meaning, all tied together with well-crafted, often poetic, prose.
