

Jury of One

By David Ellis

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. In *Jury of One*, Shelly Trotter, an able and determined lawyer and a children's rights advocate, is thrust into a world in which she's completely unschooled the criminal court. Her client is a seventeen-year-old accused of killing a policeman, and she begins to suspect that he may have been involved in an undercover operation to entrap dirty cops, though his role in the scheme remains unclear. Was he the target or the bait and what does the prosecution really have against him? Then comes the shocker: Shelly fears that she has a connection to this boy, something she has kept secret for years, knowledge that she has hidden from her family and friends for most of her adult life. And as the evidence against the boy mounts, she finds that nothing not legal ethics, not a statewide political campaign that could swing in the balance will stop her from keeping him off death row. For with this client, she is truly a jury of one.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
