## Conquest: Sexual Violence and American Indian Genocide

By Andrea Smith

Duke University Press. Paperback. Book Condition: new. BRAND NEW, Conquest: Sexual Violence and American Indian Genocide, Andrea Smith, In this revolutionary text, prominent Native American studies scholar and activist Andrea Smith reveals the connections between different forms of violence perpetrated by the state and by society at large and documents their impact on Native women. Beginning with the impact of the abuses inflicted on Native American children at state-sanctioned boarding schools from the 1880s to the 1980s, Smith adroitly expands our conception of violence to include the widespread appropriation of Indian cultural practices by whites and other non-Natives; environmental racism; and population control. Smith deftly connects these and other examples of historical and contemporary colonialism to the high rates of violence against Native American women the most likely to suffer from poverty-related illness and to survive rape and partner abuse. Smith also outlines radical and innovative strategies for eliminating gendered violence. ".
