It feels like every time we turn on the news these days we're hearing a new story about a child being murdered, not by a scary stranger, but by another child. From school shootings to abductions and family killings, kids killing kids is a very real phenomenon. It's not a new one, however; there's evidence of it going back hundreds of years—and maybe longer!What Drives A Child To Commit Murder?Most children find childhood to be a magical place, full of love and possibilities. For others, though, it's a frightening place. Children who grow up with abuse, neglect, and mental illness problems that are either ignored or poorly treated, occasionally suffer from breaks that make them act out violence.Of course, there are also those kids who don't seem to suffer from a conscience at all. These kids just kill for the fun of it.Kids who kill other kids come in a variety of types with different motivations. Sometimes, the killings...
