It is a parody of the cautionary tales that were popular in the 19th century. The work is in the public domain in the United States.Illustrated by Belloc s friend from Oxford Basil Temple Blackwood, it is similar in style to the The Bad Child s Book of Beasts which had brought Belloc public acclaim and commercial success a decade earlier. The book contains an introduction and eleven tales, all written in rhyming couplets.IntroductionUpon being asked by a Reader whether the verses contained in this book were true.And is it True? It is not True.And if it were it wouldn t do, For people such as me and youWho pretty nearly all day longAre doing something rather wrong.Because if things were really so, You would have perished long ago, And I would not have lived to writeThe noble lines that meet your sight, Nor B.
