

A Political Economy of the Middle East

By Melani Cammett, Ishac Diwan, Alan Richards

The Perseus Books Group, United States, 2015. Paperback. Book Condition: New. 4th Revised edition. 231 x 155 mm. Language: English . Brand New Book. *A Political Economy of the Middle East* is the most comprehensive analysis of developments in the political economy of the region over the past several decades, examining the interaction of economic development processes, state systems and policies, and social actors in the Middle East. The fourth edition, with new authors Melani Cammett and Ishac Diwan, has been thoroughly revised, with two new introductory chapters that provide an updated framework with which to understand and study the many changes in demography, education, labor markets, urbanization, water and agriculture, and international labor migration in the recent years. The new edition also includes: a new chapter that charts the political economy of the Gulf states and, in particular, the phenomenal growth of oil economies; a new chapter on the rise of crony capitalism; and increased coverage of the changes in civil society and social movements in the region, including an exploration of the causes, dynamics, consequences, and aftermath of the Arab uprisings.

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
