But beautiful Aurora has attracted the attention of two unsavory characters stalking her. Rancher Will Harrison rescues her from the raging waters and she's his guest for the next thirty-six hours. That's long enough for Will to fall head over heels in major attraction, and he has a hunch she might feel the same. He has a plan to keep her around until he convinces her to move out of the fast lane and into his life forever. But two predators have other plans for Aurora. Can Will save her in time? Can Aurora save herself?.
