Martyrdom in early Christian times, already appealed to believers intent on doing great things for Christ. The early Christians venerated martyrs, the dates of whose executions grew into a calendar of saints, and wearing a martyrs halo is still extremely popular. Reading this book about Russia s underground believers will assure you that if you are a typical Western Christian you will never face persecution. You will never have to be a real martyr for Christ. Only if you are not typical-if you choose to be a weed that floats upstream -you may want to know the secret by which Russian Christianity survived through a thousand years of suffering. True to the spirit of Russia s believers, this work gives a colorful and detailed description of faith underground. But what makes it...
