

## Bringing in a New Era in Character Education

By William Damon

Hoover Institution Press, U.S. Paperback. Book Condition: new. BRAND NEW, Bringing in a New Era in Character Education, William Damon, Education in the United States has at last ended its failed experiment with separating the intellectual from the moral and schools from K 12 to college campuses are increasingly paying attention to students' values and accepting responsibility for students' character. But how can we bring in this new era in character education in a way that makes the right kind of difference to young people? What are the approaches that will provide character education the solid foundation necessary to sustain it now and into the future? What obstacles in our current educational system must we overcome, and what new opportunities can we create? This book provides a unique perspective on what is needed to overcome the remaining impediments and make character education an effective, lasting part of our educational agenda. Each chapter points out the directions that character education must take today and offers strategies essential for making progress in the field. The expert contributors explain, for instance, how we can pass core values down to the younger generation in ways that will elevate their conduct and their life goals. They reveal...
