Lehman, on active field duty on July 13. I myself was not able to go into the field till July 20, on which date the third member of my regular party, Mr. Allen, also joined me. Mr. J. W. Edwards joined me a few days later as volunteer aid, and remained with me till his assignment to other duties by the Chief Geologist. My head quarters were established at York, York county Pa., whence it was my plan to project a net work of intersecting lines north-eastward to the Susquehanna, and south-westward to the Maryland line below Littlestown, in Adams county. My work was very much hampered at first by the lack of suitable surveying instruments, and this embarrasment was the greater because the first lines run were necessarily of greatest importance. All the work represented by road lines on general map (No. 1) was accomplished by the aid of a small Breithaupt compass, and the distances obtained by pacing, except the test circuit line which, starting from York, proceeds four miles north north-east to Smyser s bank, thence south south-east to Longstown; thence south south-west to Logansville; thence west south-west to Zigler s slate quarries; thence west south-west...
