Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Nyq Books, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. From the early seventies when her first published poem appeared in Playgirl magazine, Lynne Savitt's explicit exploration of a woman's sexuality has always been primary in her work. Her poetry has been described as . .ironic, sexual, cruel, angry but useful, loving and always engaging. A baby boomer, who took an unconventional path, her poems follow her life as a struggling single parent active, independent woman. Through her autobiographical work in this new collection, we can follow her from her own childhood to being a grandparent with her lusty, honest poems to carry us along. Themes of loss, love and the struggle to survive pepper the poems. Her journey continues as a veteran of the sexual revolution. Her examination of eroticism, at any age, carries on as Savitt allows us to enter her juicy world.
